

Restaurants Around Central Park, New York City

You've visited Alice in Wonderland, conquered Belvedere Castle, and explored the North Woods in New York City's Central Park. Your next adventure? A well-earned feast at any of these 10 nearby eateries. Bon appétit!

Indian Accent

One of many Indian restaurants in New York City, Indian Accent stands out for its upscale atmosphere, elegant presentations, and fusion flavors. Featuring items such as sweet pickle ribs, wasabi-cucumber raita, and peanut butter tikki, the prix-fixe menus at Indian Accent achieve the spot's goal to explore "progressive ideas in Indian cuisine."
